COMES NOW Pamela Z. Hill, *pro se*, (hereinafter Hill) and having received and read Basic Life Resources response to Debtors' Objection (Document No. 5159 of September 20, 2013), confirmed true copy attached as Exhibit A for ready reference, and having been properly and fully notified;

To such extent as is necessary and proper, I approve of Basic Life's stated position regarding my unanswered claim and set it forth as if fully described herein.

FURTHER, having received no timely response of any nature whatsoever from Debtors or any of the above-named counsel to my application for alternative relief, to wit: extinguishment of the Note and Deed of Trust initially to Peoples' Bank as set forth throughout, I approve and join in Basic Life Resources pleadings to the effect that Debtors have failed in any manner whatsoever to respond to that aspect of my said Claim and therefore it should be granted and that relief requested so Ordered by this Court.

Further it is submitted that, whereas, without prejudice, I am willing to forego any payment as reimbursement for any sums paid on that questionable obligation prior to November 5, 2012, I believe and request acknowledgement of my entitlement to reimbursement for any and all sums paid to Debtors and their subsequent assignees, recognizing as they have detailed and acknowledged in their prior Response in my case in Debtors' Thirtieth Omnibus Hearing matters, all letters from me to that effect.
